PROVIDING SOLUTIONS IN LABEL DISPENSING AND APPLICATING SYSTEMS

Also Providing Contract Labeling

Need to label your products, but don't want to train personnel, purchase and maintain labeling equipment?

TAKE-A-LABEL, Inc. can provide your labeling solution. Our systems are ideally suited for small to medium labeling projects. Simply provide **TAKE-A-LABEL, Inc.** with samples of the product, or products to be labeled, along with a small roll of the labels to be applied. TAL will provide a formal quotation for "Contract Labeling".
