WALL AND CEILING SYSTEMS WITH THE ARCOPLAST ANTIMICROBIAL SURFACE

Microbes. That's what we're talking about. And that includes bacteria, fungi and algae. So if it's a clean room you're looking for, such as an operating theatre, or to protect or store any type of food or drugs, we can supply it, and keep the microbes out!

We're about sterile environments. We're anti-contamination. Our clean rooms are USDA and Canada Agriculture compliant and we're into pure, clean, cutting-edge technology. With our Arcoplast antimicrobial surfaces, "Clean up your room!" will be just another memory of Mom. Guaranteed!
