

**New Kuri Tec®
Polywire® Plus Hose**

New Kuri Tec® Polywire® Plus hose is the only clear PVC product to offer both a helical wire reinforcement for vacuum and static dissipation with yarn reinforcement for pressure in one hose. Its unique kink resistant construction makes it ideal for use in a wide variety of industrial and OEM applications. It features clear PVC which is in compliance with FDA, NSF and 3A criteria. Available sizes are 1/2" - 2" ID.
